

**SCHOOL IMPACT ANALYSIS FORM**  
*Revised 11/26/19*

**INTRODUCTION**

New residential development is required to demonstrate compliance with school concurrency as regulated in Nassau County through the County’s Comprehensive Plan Public School Facilities Element and the Interlocal Agreement for Public School Facility Planning adopted by the County on July 14, 2008. No new residential rezoning, preliminary plat, site plan or functional equivalent may be approved by the County unless the residential development is exempt from requirements outlined in Section 9.13 of the Amended Interlocal Agreement OR a School Concurrency Reservation Letter has been issued by the School Board indicating that adequate school facilities exist.

**Application Process for School Concurrency:**

1. Submittal of Development Application, including this School Impact Analysis (SIA) Form.
2. County PEO Staff transmit SIA to Nassau County School Board.
3. The Nassau County School Board reviews the SIA Form per requirements in the Interlocal Agreement and makes a determination of capacity.
4. If sufficient capacity is available, the School Board will issue a School Concurrency Reservation Letter. This letter indicates only that school facilities are currently available, and capacity is not reserved until Nassau County issues a Certificate of Concurrency.
5. Upon receipt of a School Concurrency Reservation Letter, Nassau County Planning Staff will issue a Certificate of Concurrency for the development. Certificates are valid for a two (2) year period. Approved construction plans or building permits extend the life of the certificate concurrent with the expiration of the applicable plan or permit.
6. If sufficient capacity is not available, the School Board will issue a Concurrency Deficiency Letter, at which time the applicant will be offered the opportunity to enter into a negotiation period to allow time for the mitigation process as outlined in the Interlocal Agreement. As the end of the negotiation period, the School Board will issue a School Concurrency Reservation Letter where mitigation has been mutually agreed upon; or if mitigation has not been agreed upon, a School Concurrency Deficiency Letter. If a Reservation Letter is drafted, the County will issue a subsequent Certificate of Concurrency.
