

## Specific Material Objection Template

### Part I:

1. The Specific Material Objection Form per title must be filed with the Assistant Superintendent. The petitioner must identify the priority order in which the books/materials should be reviewed.
2. Any material challenged on the basis that it contains content that is pornographic or prohibited under F.S. 847.012 or depicts or describes sexual conduct as defined in F.S. 847.001(19), unless such material is for a course required by F.S. 1003.46, 1003.42(2)(n)1.g., or F.S. 1003.42(2)(n)3., or identified by State Board of Education rule shall be removed from circulation until the objection is resolved.
3. All other challenged material will remain in circulation during the review process, unless removal is deemed appropriate by the Superintendent.
4. The Superintendent shall appoint a District Review Committee. The committee shall be comprised of five or more members to include district administrator(s), school-level administrator(s), teacher(s) and/or media specialist(s), and parent(s).
5. The District Review Committee shall meet in the sunshine (meaning the meeting will be open to the public and advertised at the district level).
6. The committee, in evaluating the material questioned, shall be guided by F.S. 1006.28 and 1006.40.
7. The committee's determination shall be reported to the Superintendent in writing. The Superintendent or designee will advise the petitioner, in writing, of the committee's determination.
8. If the petitioner is dissatisfied with the Committee's decision, a written appeal may be filed with the Superintendent. Failure of the petitioner to file a written appeal within 30 days of the Committee's decision will result in a conclusion of the reconsideration process and the decision of the Committee shall be final. The Superintendent shall, within 30 days of receipt of the appeal, send the petitioner a written decision. An appeal to the School Board of the Superintendent's decision must be filed within 10 days after the Superintendent's decision.
9. The School Board shall consider the decision of the District Review Committee and the Superintendent and any other appropriate documentation in making a decision regarding the appropriateness of the material and whether it should remain available in schools or be discontinued.
10. If the petitioner is a parent of a student in the district, and disagrees with the School Board's decision regarding removal, the parent may ask the Commissioner to appoint a special magistrate who will review the Board's decision and make a recommended finding to the State Board of Education.
