Wanda Saunders is a 1989 Graduate of HMSHS and she is now an ELA Teacher at her Alma Mater. After graduation, she played slow pitch softball at Santa Fe Community College on a full scholarship. This is where she met her husband, Myron Saunders. Together they have two beautiful daughters, Brianti and Reah. She began her career with Nassau County in 2000. Her entire family is sports-oriented and very involved at HMSHS as coaches, mentors, and trainers. They are hoping to soon have their own Sports Academy. What makes Wanda UNIQUE is that she loves the LORD which helps her to love people, no matter the situation-sometimes she will just love you from afar. Wanda plays a vital role at HMSHS and our students are lucky to have her!
