September 2022

Clay Moody 8th Grade

Clay Moody is an 8th grade student at HMSHS. He was nominated by a teacher because "Clay is showing growth and maturity over the last few weeks in class. He is acting as a leader in his small group by helping to explain what the teacher is saying to his peers so that they understand it better, helping students who have missed class get caught up, and being a better example."

Hilliard Middle Senior High School

HMSHS would like to recognize our SEPTEMBER PBIS (Positive Behavior Students) of the Month. These students were nominated by their teachers and staff for showing what it means to be a FLASH. We would like to not only recognize all of these but also highlight two individual students.

Avery Vannard 9th Grade

Avery Vennard is a 9th grade student at HMSHS. She was nominated by a teacher because "Avery is one of the best students you could ask for! While staying on top of her own work, she does not hesitate to help her classmates out when they need it. So thankful to have her in my class!"
