Dear Yulee Elementary Parent and Guardian,

Welcome to a brand-new school year! As we gear up for a smooth start to the fall semester, we'd like to remind you of some fantastic learning tools that will make this year even more enriching for your student.

Imagine your child being able to chat with a tutor when they're stuck on a tricky math problem, or getting expert feedback on an essay before it's handed in. Thanks to our partnership with Varsity Tutors for Schools, an online learning platform with tutoring resources, every student has access to helpful tools that can make a difference. Whether studying core subjects, learning new topics, or trying to improve grades, Varsity Tutors is here to ensure your child has the extra support they need, when they need it.

- Chat with a Tutor
- Academic, Career Readiness, and Extracurricular Classes
- Star Courses taught by celebrities!
- Essay Review with a Tutor
- Codeverse Studio: Learning how to code
- College Test Prep Classes and Practice Tests
- And more!

And the best part? Every student at our school can tap into these incredible resources without any cost to you. All the details, including how to get started, are available on our school's website or the Varsity Tutors Launchpad. We encourage you to explore these tools together with your child and take full advantage of what is available.

We're excited to see all the amazing things your student will accomplish this year. Here's to a fantastic year ahead!

Best regards,

Bryce Cubbal

Principal

Yulee Elementary

Our mission is to develop each student as an inspired life-long learner and problem-solver with the strength of character to serve as a productive member of society.
