## Additional Learning Resources

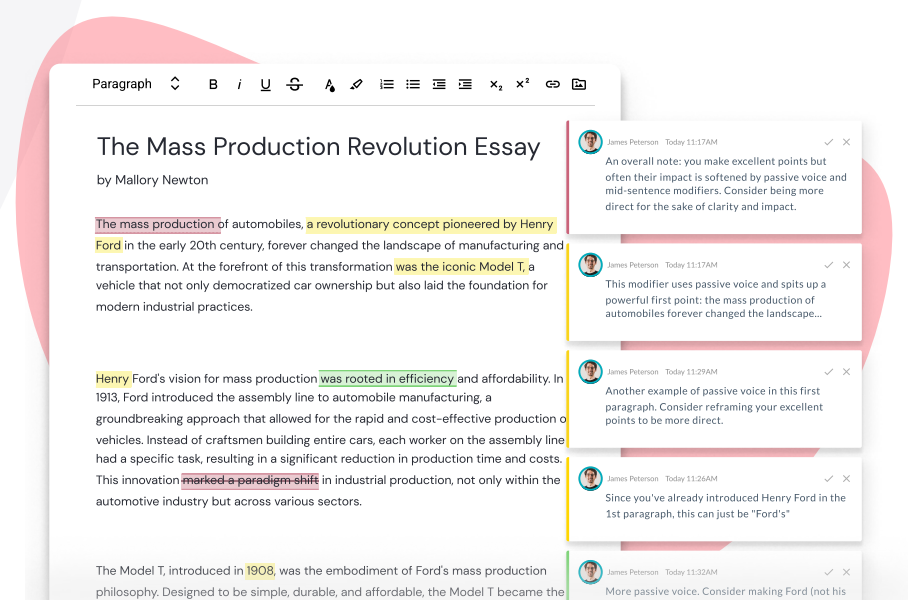

## CHAT WITH A TUTOR

- An interactive module within the Tutoring platform that facilitates chat and visual problem-solving between a student and a tutor. It's a great way for a student to get extra support when they have a tough homework problem or an upcoming exam, or have questions about a new subject they're exploring.

## ESSAY REVIEW

- A feature in Varsity Tutors that allows a student to submit an essay for review, check for plagiarism, and send it to a tutor who will review the essay. It's a great way for a student to ensure a better essay grade or find opportunities for improvement by working with a tutor to review an essay before submitting it to their teacher.

## ASSESSMENTS AND SELF STUDY

- Standards-aligned assessment, practice, and study tools that help a student efficiently begin learning in their area of interest, using all the Varsity Tutors resources available to them at their convenience. A student can take an assessment to test how well they know a subject. They receive a learning plan with recommended areas of focus so that they can use their time efficiently to practice critical skills. Then, the student can engage in learning activities like recorded or live classes, 24/7 chat tutoring, and other tools to study the subject. When they're ready to improve their testing skills, they can gain experience and confidence with some practice problems.

### Additional Learning Resources

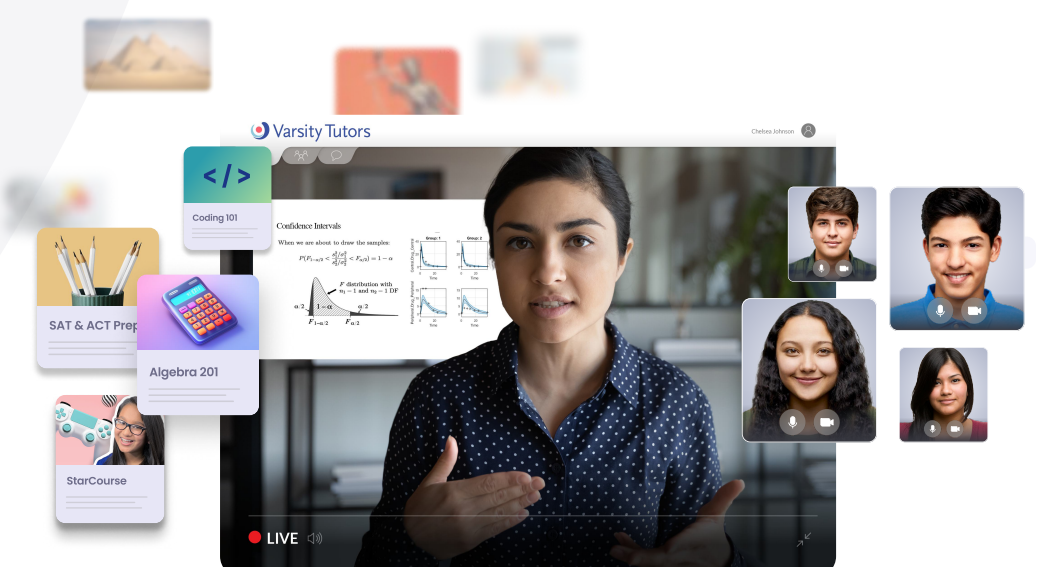

#### STARCOURSES

- Celebrity-led courses in which well-known experts share their unique experiences, perspectives, and stories in their field of expertise. These courses are a fun way for a student to learn in the subjects they're studying or new topics they're exploring. StarCourses bring a level of excitement that increases the student's engagement and eagerness to learn.

#### LIVE AND RECORDED CLASSES

- Live classes are scheduled, live webinar-style sessions for a wide range of 100+ subjects every week. All live classes are updated each month and have a capacity limit. Recorded classes are available on-demand for students to learn at their convenience. Live classes increase the level of engagement for students by having them participate in real-time, scheduled educational "shows." Recorded classes give students the ability to learn at their own pace, and Varsity Tutors provides a rich library of educational content accessible at any time.

#### COLLEGE & CAREER READINESS

- Comprehensive resources, workshops, and expert-led classes focused on college entrance exams like the SAT and ACT and college applications, as well as career readiness to prepare students for certain activities like writing resumes, interviewing, landing an internship or job, achieving a professional certification, and establishing critical skills.
