How the parent and family engagement will assist in providing high quality instruction for all learners.

Response: Bryceville Elementary School is committed to developing and implementing a positive parental involvement program to support student achievement among the entire community of learners. Completion of PFEP is a shared responsibility with all stakeholders through our School Advisory Council, Leadership Team, and grade levels. The completed document identifies necessary support, strategies and interventions needed for all learners to succeed.

Bryceville Elementary School will strive to involve parents in all aspects of the Title 1 Program. For example, Bryceville Elementary’s School Advisory Council reviews and provides guidance in the development of a variety of school level initiatives, including the School Improvement Plan, Parent Compact, and the Parent and Family Engagement Plan. (More than 50% of the School Advisory Council is composed of non-school employees such as parents and community members who are elected by their peers.) In addition, parents provide continuous input about the annual Title 1 Program via parent and climate surveys. The information gleaned from these surveys is used to guide the formulation of the following year’s program. The School Improvement Plan, Parent Compact, Parent

Plan, the Schoolwide Plan (School Improvement Plan), and in the decisions made regarding how funds for Title I will be used.

Response: Bryceville Elementary School will strive to involve parents in all aspects of the Title 1 Program. For example, BES's School Advisory Council reviews and provides guidance in the development of a variety of school level initiatives, including the School Improvement Plan, Parent Compact, the Parent and Family Engagement Plan and decisions on how Title I money will be used. (More than 50% of the School Advisory Council is composed of non-school employees such as parents and community members who are elected by their peers.) In addition, parents provide continuous input about the annual Title 1 Program via parent and climate surveys. The information received from these surveys is used to guide the formulation of the following year's program.

NEW

7. Describe how the school will jointly develop with parents for all children a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high in accordance with section 1116(d).

*Include:
How parents are involved in the development of the compact.*

Note: This requirement used to be an upload of the School-Parent Compact.

Response: Parents are directly involved in the development of the School-Parent Compact. Each year our School Parent Compact is shared with our SAC committee. Input and suggestions are obtained from the quorum created. The committee will then vote approval of the School Parent Compact for the upcoming school year. This compact is distributed to teachers at the beginning of the school year so they can go over it with their students. Once students and teachers sign the compact, it is sent home and returned with a parent signature.

Building Capacity/Staff Development

8. Describe how the school will implement the following required activities that will build the capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement. [Section 1116(e)]

- How will the school provide assistance to parents in understanding the challenging State academic standards, State and local academic assessments, how to monitor their child's progress, and work with educators to improve the achievement of their children?

Response: Communication with parents is key in helping them understand how they can support their child with academic standards and State and local assessments. Teachers keep parents aware of academic levels by uploading grades to FOCUS and by sending weekly work and newsletters home. Parents are exposed to our school curriculum and State Standards by attending parent involvement nights.

- How will the school provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement?

2021-2022 SCHOOL PARENT AND FAMILY ENGAGEMENT PLAN

Response: Daily agenda planners (3-5) and communication folders (K-2) are used to communicate with parents and send home materials necessary for home support. Our classroom teachers and after school tutoring program also send home “Take Home Reading Bags” filled with prescriptive leveled materials that can be used by the parent to work with their child. Our parent involvement nights, in conjunction with parent teacher conferences, bring parents into our school to learn and ask questions about curriculum, state standards and what they can do to support their child. At our Accelerated Reader nights, teachers hone in on key reading and writing standards, as well as test taking tips, and provide literature and resources for parents.

- How will the school educate teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school?

Response: Bryceville Elementary recognizes the importance of parent involvement, how to appropriately interact with parents as well as how to increase their involvement is an ongoing topic of discussion at weekly collaboration meetings, Leadership Team meetings, Faculty Meetings, PTO meetings and our School Advisory Council. At each meeting, barriers are identified and then solutions or strategies are brainstormed on how to overcome the identified barriers. Input is also solicited from our families.

- How will the school coordinate and integrate parent involvement programs and activities with other Federal, State, and local programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children?

Responses: A portion of our Federally funded Title I funds is directly related to parental involvement. These funds are used to purchase communication folders and agendas and are used to purchase supplies for parent involvement nights, such as materials and food. We ensure parents are involved in making school-based decisions each year. Our PTO and SAC Committee always involve equal parent participation. Our PTO takes an active role in our school and encourages parental involvement. BES also offers other programs such as after school clubs (i.e. Robotics, River Run) in which parents also become involved.

Accessibility

9. Describe how the school will provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 in a format and, to the extent practicable, in a language such parents understand. [Section 1116(f)]

Barriers

12. Describe the barriers that hindered participation by parents during the previous school year in parental involvement activities. [Section 1116(a)(2)(D)(i)]

Include the steps the school will take during the upcoming school year to overcome the barriers (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background)

Barrier (Including the Specific Subgroup)	Steps the School will Take to Overcome
Families have busy schedules.	Food is provided so dinner does not have to be a concern. The night consists of a 2-hour open format to allow flexibility on when to arrive.
Academics are not always viewed as a high priority.	Surveys are distributed at the end of the night so parents can provide feedback. This allows us to constantly make improvements.
Limited Resources available in the Bryceville area.	School is a hub of resourcefulness – i.e. clothes closet, partnership with local non-profit organizations who contribute to basic needs.
