FRESH SQUEEZED

\$2

A lemonade stand is positioned on the right side of the booth. It has a yellow and green striped awning with the words "FRESH SQUEEZED" printed on it. The stand itself is covered in yellow and green paper. On the front of the stand, there is a white sign with a colorful polka-dot border and a graphic of a lemon slice. Several glasses of lemonade are on the counter. A price tag of "\$2" is visible on the left side of the stand.

WHEN DECIDING ON A THEME FOR THIS YEAR'S FAIR BOOTH, I ASKED MY STUDENTS WHAT THEY MISSED MOST DURING THE 2020 STAY-AT-HOME-ORDER. THEIR RESPONSE:

WE MISSED OUR FRIENDS

That is how our fair booth came to be! Please enjoy the striking Flashes Art from 2D Studio Art I and II students and the fabulous booth design from 3D Studio Art. The iconic 'Til Be There For You' that has never been more meaningful and we thank the North Florida Fair for making the fun in 21!
