

## Register for Elementary FLVS Courses through MDVS New Students

MyDistrict Virtual School (MDVS) is a franchise of FLVS. This means that your student will access the same online course work provided by FLVS but will be instructed by MyDistrict Virtual School teachers during the 180 days of the school year. While the full-time program does allow students to establish their own weekly schedule as to what day and time they complete schoolwork, students must achieve adequate weekly progress in order to continue virtual school as a full-time option. Required weekly progress is defined as 6% completion per class per week. Students not able to maintain the proper pace may be required to return to their zoned school.

You will see many references to FLVS, but please understand that you are taking courses through MDVS, your counties choice for virtual instruction.

Students should register for all **four core courses**:

- 1. Language Arts
- 2. Mathematics
- 3. Science
- 4. Social Studies

Students can choose to register for up to **two** electives:

- 1. Physical Education \*Required by Florida
- 2. Art
- 3. Spanish
- 4. Technology

Elementary courses are broken into two parts - a first half (segment 1) and a second half (segment 2). Both segments make up a full-year course.
