Florida Virtual School uses many innovative activities to support student learning. To illustrate these innovative activities, we publish exemplary student stories and work that demonstrate learning in the online environment. Parents are required to complete the form below regarding publication of their student's name, photograph, video, as well as related student work.

I, the undersigned parent or legal guardian of the student named below do hereby consent, authorize, and grant permission to Florida Virtual School, its agents, employees, or duly authorized representatives to publish photographs, video, audio, as well as student work of said student, and do further consent to the publication, circulation and dissemination of said photographs, video, audio, as well as student work, or any duplication or facsimile thereof for any purposes it may deem proper.

In granting such permission, I hereby give to Florida Virtual School all right, title, and interest I may have in the finished pictures, negatives, reproductions or copies, and further waive any and all right to approve the use of such media. I further do waive any right to compensation for the publication or other use of said media and do release Florida Virtual School, its agents, licensees, representatives and assigns from any and all claims of any nature whatsoever arising from their use.

To opt-in to the media release, parents must be present and complete the information below.

To "Opt-in" to the media release, please type your name into the "signed" box at the bottom of this form and click "Continue."
To "Opt-out" unclick the box and click "Continue."

☒ Opt in to the "Media" release.

I am the parent, legal guardian, or authorized representative of the student, and I represent and warrant that I have the full legal authority to enter into this Agreement. I have read the information regarding the display of student work.

Next Steps
Enrollment is almost complete

We have received your course enrollment request and are working as fast as we can to get you started. Please review the following information in order to complete your enrollment. Please print this page to reference as your enrollment progresses.

Ensure Courses are Approved
Public, private, and charter school students: Your school counselor will need to verify your course selections. FLVS is not able to approve course selections in place of a student's school counselor because FLVS is not the school of record.
Homeschool students: Your parent/guardian will need to login to FLVS and approve your course selections.
Parents/Guardians: Learn more about creating an account at flvs.net/parent-account.

Check Course Status
Once courses have been approved, you will be assigned teachers and placed into your courses. This placement process will begin on the preferred placement date you selected during enrollment. Please log in to FLVS to check your course status!

Get Ready... and Go!
After you are placed in your courses, teachers will reach out about scheduling a welcome call. Having important information about the course, the FLVS experience, and to get to know the student. Please note that you do not need to wait for the welcome call to start working in a course. As soon as you are placed, you have access to begin.

The next step is that your school counselor must verify these courses.

- A school counselor will provide verification of those courses for students in public schools by logging into FLVS.

**Congratulations, you have completed the registration process.
We look forward to working with you as you
complete your MDVS courses!**
