STUDENT RESPONSIBLE USE OF TECHNOLOGY AGREEMENT

Nassau County School District (NCSd) makes a variety of communications and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence in the District by facilitating learning, resource sharing, innovation, collaboration, and communication. In order for students to have access to these valuable resources, parents and students must sign the Student Responsible Use of Technology Agreement. The student is expected to follow the guidelines below and demonstrate ethical behavior and digital citizenship.

STUDENT GUIDELINES

- Students will follow teacher instructions regarding the use of the Nassau County digital network.
- Students will handle hardware and software tools with care and respect in class and in the school.
- Students will remember that it is a privilege, not a right, to use the Nassau County digital network.
- Students should have no expectation of privacy at any time while using the Nassau County digital network.
- The district is authorized to do random audits of Internet histories of students.
- Students may not share user IDs or passwords necessary for access to the network and other programs.
- Students may not give out personal information about themselves or where they live.
- Students may not tamper with, change configurations, intentionally download viruses or in any way physically damage School Board provided equipment.
- Students may not download illegal copies of music, videos, or other media forms.

Security

Each District computer with Internet access has filtering software that blocks access to visual depictions that are obscene, inappropriate for students, or harmful to minors, as defined by the federal Children's Internet Protection Act (CIPA). The District makes every effort to limit access to objectionable material.

PARENT GUIDELINES

Parents are responsible for monitoring their student's use of the school district system and of the Internet if the student is accessing the school district system from home or a remote location. Parents have the right at any time, to investigate or review the contents of their child's digital files.
