Athletics Philosophy

Callahan Middle School officials, coaches of athletic teams and sponsors of student activities believe that students who are selected for the privilege of membership on teams, squads, performing groups, clubs and other school organizations should conduct themselves as responsible representatives of the school. In order to assure this conduct, coaches and sponsors enforce the Code of Conduct. Furthermore, members of teams and organizations who fail to abide by the Code of Conduct are subject to disciplinary action. Members of teams and organizations must always serve as exemplars of high moral character and must demonstrate appropriate academic commitment which is expected from all students. As recognized representatives of their school, members are expected to exhibit appropriate behavior during the season or out of season, in uniform or out of uniform, on campus or off campus.

Callahan Middle School has as its primary goal the academic education of all students. Therefore, each coach has the obligation to encourage students to perform within reasonable academic standards.

Attendance is extremely important to a student's success. Students must attend school for at least ½ a day to participate in that day's athletic practice or event.

Each coach has the prerogative to establish additional rules pertaining to the activity supervised. These rules may include attendance at practices, dress, and general conduct of participants during practices, contests, etc. Rules set by coach should be communicated to the athletes before the activity.

Students who are suspended in or out of school are not allowed to participate in activities or athletics while they are under suspension.
