## Message From Our P.T.O

The FBMS PTO has had a great year so far! Thank you to all the parents that have helped make events like the Fall BBQ, Desserts of Amelia, school dances, and honor roll breakfasts and lunches a huge success! Here are a few other fun, upcoming events in which we would love your help:

Plans are being made for the last school dance of the year, possibly in April. PTO will need chaperones in order for the dance to take place so please consider volunteering. If you are able to help please contact ptofbs@gmail.com. Details to follow.

Spring Fling will be held on Friday, May 18th during the last period of the day. This is a carnival event for all students and requires lots of hands, so if you are able to help, please contact Emily Pattillo at [emilypattillo@gmail.com](mailto:emilypattillo@gmail.com). Also, be on the lookout for requests coming home for candy

donation and other treats. We will use these items as prizes for our popular Junk Walk.

Please save the date for the following FBMS Spirit Nights:

- April 10: Jersey Mike's 5-8pm
- April 24: Zaxby's: 5-8pm
- May 16th: DeNucci's

PTO is also beginning to plan our celebration of teachers during Teacher Appreciation Week, May 7th - 11th! We are also helping to organize an end of year Teacher and Volunteer Appreciation luncheon May 30th. The best way to stay informed about all the great things going on at your child's school is by attending the PTO meetings. The next meeting is Thursday, April 19th at 5:30 pm for the end of the year planning!

Dr. John Mazzella,  
Principal

## Fun Walk for Communities in Schools

The FBMS Student Council will sponsor the Communities in Schools Fun Walk on Friday, May 18. This event raises money for the organization that sponsors our Homework Club and provides needed services to students throughout the district. To participate, students who bring \$5 to school on Friday, May 18, will be allowed to walk around the high school track and participate in the related activities. This is the same day as Spring Fling. Please support this important organization that gives so much direct support to our school!

## TDAP BOOSTER NEEDED

6<sup>th</sup> Grade Parents, Florida law requires that each student entering 7<sup>th</sup> grade must have documentation of having received a TDAP booster on file in their health folder. Documentation may be submitted to the Nurse or front office. Please call your child's health care provider or the Nassau County Health Department Clinic (904) 530-6800 for an appointment if they have not received their TDAP booster. It is important to do this as soon as possible. Providers become very busy during summer months. If you have any questions, please call the school nurse at (904) 321-5867 ext.2460.

Thank you, Jodie Hearn LPN

## YEARBOOK NEWS

### RESERVE Your 2018 Yearbook NOW!

Do you want your Yearbook right away? Ms. Hall and the yearbook staff will be handing out yearbooks during lunch on Tuesday, May 15th to students who have paid for their yearbook on or before Friday, May 11th. If you have not reserved your yearbook by Friday, May 11th, you may purchase books with \$50.00 (cash or check) in the Main Office before school or during homeroom beginning Wednesday, May 16th and continuing until the yearbooks are sold out. Buy your Yearbook ASAP... over half the books are already reserved and the rest won't last long! RESERVE YOUR BOOK NOW by bringing \$50.00 check or cash payment to the Main Office or to Ms. Hall. If you have any questions, please contact Ms. Hall, Yearbook Advisor/Art Teacher (phone 321-5867 or email [julie.hall@nassau.k12.fl.us](mailto:julie.hall@nassau.k12.fl.us)).

### WANT TO CREATE OUR FBMS YEARBOOK?

Those chosen as Yearbook Staff members are enrolled in a year-long Digital Art course with Ms. Hall. Staff members not only design our awesome yearbook, they create the school's newsletter. As a staff member you will act as graphic designer, photographer, artist, and journalist. You will learn to use art and publication software to design graphics and create our yearbook. Yearbook is a great class for motivated students willing to work beyond classroom hours. Applications are due Friday, May 11th, so pick one up from Ms. Hall or guidance!

### FSA TESTING

Please remember that the major part of the state of Florida FSA testing is in April and May. Sixth, seventh and eighth graders will be taking the Reading and Math tests online (Computer Based Testing-CBT). They will take Session 1 first and then Session 2 (and/or 3) on another day for each test. Seventh graders taking Civics class this semester will take the Civics End of Course Exam on line also in May. Algebra 1 students will take an EOC test in May, and all students will take end of course exams for all courses not tested by the state through their subject area teacher.

April 25, 2018 Grades 6, 7, and 8 Reading Session 1 CBT, 85 minutes

April 26, 2018 Grades 6, 7 and 8 Reading Session 2 CBT, 85 minutes

May 1, 2018 Grade 8 Science paper based test, 160 minutes

Grade 7 Civics EOC CBT, 160 minutes

May 7, 2018 Grades 6, 7, 8 Math Session 1 CBT, 60 minutes

Grade 8 Algebra 1 EOC Session 1 CBT, 90 minutes

May 8, 2018 Grades 6, 7, 8 Math Session 2 & 3 CBT, 120 minutes

Grade 8 Algebra 1 EOC Session 2 CBT, 90 minutes

Make up testing will be on going as needed for absent students

This is a very busy time at school. **We ask for your assistance in having things flow smoothly by making sure that your student is present on the testing dates and here by 8: 50 a.m.** Students that are tardy are not allowed to enter their testing site and must then attend a make-up test session at another time. This causes them to miss their assigned classes. Please make sure that students are well rested and have a nutritious breakfast each morning.

### FSA SCORES

Test scores usually come in after school is dismissed and will be mailed home with the final report card or separately depending on when we receive them. The writing and reading test scores will be combined and reported as an ELA (English Language Arts) score. When you do receive the score reports we suggest that you take some time to sit down and review these scores with your child. Students scoring below grade level on the tests will have remediation in the following school year. Students scoring below grade level on the ELA test may be scheduled into an Intensive Reading class (i.e., a reading class designed to remediate identified reading deficiencies). Students will be assigned to class levels based on several factors such as present academic achievement, Orleans-Hanna Algebra Prognosis Test, FSA scores, and teacher recommendation. Some 8th graders will be placed into a high school level mathematics class (Algebra 1 Honors) based on several factors as well. Remember this Algebra math class is a high school credit and will affect the student's grade point average (GPA) for high school.

**2018-2019 Registration** The end of this school year is fast approaching and we are making plans for the 2018-2019 school year. Students will be receiving an information sheet on registration/elective courses offered for the 2018-2019 school year in late April. It is very important to read over this information carefully and make sure your child has made contact with the designated teacher by the date required for any electives that require prior teacher authorization (e.g., Band/Chorus/Drama). In addition, please remember if your student signs up for Band/Chorus/Drama, it is a commitment for the entire school year. Due to class size amendment legislation we will not be able to change schedules once schedules are finalized. If you have any concerns about the school year 2018-2019, please contact the Guidance Office by the end of May. Scheduling for the 2018-2019 school year will be completed in June. Any special concerns you may have should be addressed before the end of May. We have many factors that influence our master schedule and individual student schedules. We work hard to provide the best schedules for our students. We are fortunate to have such a dedicated and professional staff at our school to provide an excellent education to our students. We are proud of our students' achievement over the past 17 years that has earned us "A" school recognition!

### IMMUNIZATIONS

All students entering seventh grade must have a Tdap (tetanus-diphtheria and pertussis) booster. This is required by the State of Florida. So please check with your doctor or the Nassau County Health Department to update your child's immunizations. Students are not to be allowed school entry without proof of this immunization in their school health records. Once you have proof of this immunization please bring it to the FBMS Health Office. If your student has already had this immunization, please bring proof of this to our school.

### Summer Remediation

Fernandina Beach Middle School will plan to offer summer remediation to those students having deficiencies in promotion requirements. Staff members, in conjunction with Communities in Schools, provide this during the summer. The remediation has historically been held daily from 8 a.m. until 2:00 p.m. More detailed information about plans for summer remediation this summer will be finalized soon. Letters will be sent to the parents/guardians of those students requiring remediation at the end of May. Make sure that the forms for this program are returned promptly. **We still have a 9 weeks period left to work hard to bring up all grades to a passing score. Please encourage your students to continue to work in all classes. Please use FOCUS to check on your student's academic progress. Grades are updated every two weeks by all teachers.**

### Other Important News

It is very important that students return their Chromebooks, chargers, all textbooks, and library books at the end of the year. Any fines owed to the Media Center are also due at this time. If Chromebooks, chargers, or library fines are not paid, a hold will be placed on the report card. Additional action may be taken if a student does not return his or her Chromebook due to the cost associated with this item. Also, if students will be moving or not returning to FBMS for 7th or 8th grade, please let us know in Guidance. We can facilitate the transfer of educational records to insure a smooth transition to new schools. We look forward to another successful school year for 2018-2019!
