

## Nassau County School District Distance Learning

Dear Parents & Guardians,

Thank you for your continued patience as our distance learning plans are finalized. Below are some enrichment activities suggested by grade level for the remainder of this week. Students and parents may also access our public resource portal at <https://portal.classlink.com/nassau> for more activities.

The Public Portal does not require your child's district login information. However, all students still have access to their district-subscribed programs on their ClassLink page located at <https://launchpad.classlink.com/nassau>.

Teachers will begin contacting parents on Monday, March 30. Please contact your child's school if you have future questions.

Thank you!

### Elementary School Enrichment Week
