

## **Nassau County School District Press Release**

Over the last few weeks, we have seen a significant decline in the number of COVID cases and quarantines in the Nassau County School District. The county, overall, has experienced a decrease in the percentage of positive COVID cases as well.

**The 30-day mask requirement for Nassau County School District personnel will end on Friday, October 8<sup>th</sup>.**

We encourage everyone to continue to take the recommended steps to ensure you and your co-workers are safe and healthy.

**On Friday, October 8<sup>th</sup>, the mask requirement for students will also end.**

We will continue to monitor the COVID data for our County as well as our school district. Thank you for your support and cooperation as we work together for the success and safety of our students and staff.
