

April 6, 2020

Parents:

There has been some confusion about FBHS graduation.

Graduation will be held for the Class of 2020 sometime in the future. The location, date, and time has not yet been determined. The Diplomas have not been printed and will reflect the new date.

When it is safe for our students to gather for this important, deserving, and traditional event, we will attempt to duplicate the same event that previous students and parents have enjoyed for many years.

Thank you for your concern and as soon as we have additional information about Graduation, we will inform teachers, students, and parents.

Go Pirates!

Dr. John Mazzella
FBHS
Principal
