New Fencing

Also new this year is the Safety Fencing we have installed, as required by the new Florida Law. During school hours all gates will be locked and secure. The only entrance and exit will be through the main office only during the school day. Car pickup and drop off has now moved to the circle in front of the gymnasium. Not in front of building 4.

The back gate, "the path" by the fieldhouse, will be locked at all times! Students will not be able to walk through there at any time.

This same announcement is posted on our website at fernandinahigh.com along with a complete list of monthly activities for the months of August and September.

Thank you for taking time to listen to this important message.
