NASSAU CAREER and ADULT EDUCATION

**REVERSE
JOBFAIR**

APRIL 25, 2019 - LEWIS "RED" BEAN CENTER

Counseling in College

As you start to look ahead to college, seniors will need to make sure they become familiar with a college advisor. These are sort of the college equivalent of your high school counselor as they are the ones who can help you figure out which classes you need to take. For students attending FSCJ, advisors will be at FBHS April 10th and future FSCJ students can meet with them in order to get started registering for courses.

April Dates

- 4/6 Prom
- 4/10 FSCJ Enrollment Assistance at FBHS
- 4/11 AP Pre-administration assembly
- 4/13 ACT at FBHS
- 4/19 Half day for students
- 4/23 Progress Reports Issued
- 4/25 Graduation Assembly for seniors
- 4/25 Reverse Job Fair
- 4/30 Senior Awards Assembly

The Nassau County Reverse Job Fair will be held at the Bean Center on April 25th from 10am-2pm. Transportation will be provided from school for students. This is a great opportunity for any student looking for a summer job or a graduate looking for a job beyond high school. At a reverse job fair, employees come to you looking to see what you can bring to their company. Therefore it is important to dress sharp and to be prepared to highlight the reasons you are the best candidate for the position. Having a resume could be helpful and there will be an opportunity to seek resume writing tips at the fair. **Registration for the reverse job fair is required. April 19th is the last date to register.** You can complete the registration and find more information at nassaureversejobfair.com

School Counseling Blog

Did you know Mr. Hicks writes a blog about all things school counseling and is a featured contributor for a Florida-based college admissions magazine? You can read the blog at guidey.blogspot.com and the magazine at unmaze.me
