## Buzzworthy Notes from the Principal

“Protecting our students must be our number one priority.”

-Dr. Kathy Burns  
Nassau County  
Superintendent

Parents and Guardians,

We are off to a great start to the 2018-2019 school year! If you have not visited our campus, I am ecstatic to inform you that our office was remodeled over the summer to enhance our safety measures. The office now includes restricted access to ensure visitors have been cleared prior to gaining admittance to our campus and protective glass has been added to ensure the safety of our receptionist. Also, you will notice a Nassau County Sheriff Officer here supporting us until our assigned School Safety Officer has successfully completed required training. To assist with our commitment to safety, please ensure your ID is readily available upon request.

I wholeheartedly believe our new enhancements will appease everyone who visits Yulee Elementary School as we continue to keep safety as our number one priority.
