School Home Communication

Want to keep current with everything going on at BES and your child's classroom? We have multiple ways to help. First, make sure you have access to your child's **FOCUS portal** account to keep up with grades. Don't have a parent account? Your student can login to FOCUS from their Classlink page. You can track attendance, tardies, and grades from this portal.

Every week teachers send home **classroom newsletters** that share the current skills the class is working on and important information. Be sure to check your child's take home folder.

Every month the school sends home a **school-wide calendar and newsletter** with important information and dates. These documents are also uploaded to our website.

Many teachers use the **Remind app**. Check with your child's teacher for the access code to their class account.

Additionally check out our official **Facebook** page at <https://www.facebook.com/BrycevilleElementary> and our **NCSD webpage** at <https://www.nassau.k12.fl.us/Domain/16> for event photos and other school news.

Driving past the school? Be sure to check out our **marquee** in front of the school for current school events and important dates.
