## Classlink at Home

There are many technology programs that are available to the students to access at home. Nassau County uses a system called "Classlink" that allows students to log in and have access to many of the programs they use at school. The link below will take you to Classlink. From there your student can log in to their account using their student number and birthdate. This is a great way for students to practice at home!

Join us the morning of October 4<sup>th</sup> at 7:30 a.m. for a cup of coffee and the opportunity for questions and conversation. All of our **Bobcat Grownups** are invited to attend.
