We are off to a great start

We are so grateful for your support as we start this new school year. Our teachers have worked hard to prepare their classrooms and create fun engaging lessons for our students.

We know that we are not as successful of a school without our families and community. Your volunteerism is important to us. There are many ways to serve in our school. Do you love reading? Come read to our students and help them take an AR test. Are

you the outdoorsy type? We would love to have Recess Role Models to play outdoor games with our students during recess. Is math your jam? Our Math Fact Friend volunteer option is for you. Register to become a volunteer online at

High expectations for ourselves and our students will always be the norm for Bryceville Elementary. We will always strive to be our best!

4th Annual Bobcat Family Fun Run Fundraiser

Get ready BES! We kick off our fourth annual Fun Run fundraiser on October 27th and our Fun Run will be held on November 9th. This year we again want our families to participate! So get ready to join us to run (or walk) for a great cause. Our third run was **super successful**. We raised over \$12,000 in funds for new library books, raised garden beds, STEAM lab supplies, student incentives and classroom library books. I can't wait to see what we can raise this year!!

How can I help at home?

Read! - Reading just 20 minutes a night will expose your child to over 1.8 million words in a year! As your child grows, daily reading will help the brain make connections between the written and spoken word, widening

vocabulary in the process.

Check your child's folder/planner:

This is a great communication tool between school and home. As always if you have any questions please contact us at 904-266-9241.
