## We are off to a great start

We are so grateful for your support as we start this new school year. Our teachers have worked hard to prepare their classrooms and create fun engaging lessons for our students.

We know that we are not as successful a school without our families and community. Your volunteerism is important to us. There are many ways to serve in our school. Do you love reading? Come read to our students and help them take an AR test. Are

you the outdoorsy type? We would love to have Recess Role Models to play outdoor games with our students during recess. Is math your jam? Our Math Fact Friend volunteer option is for you. Register to become a volunteer online at

High expectations for ourselves and our students will always be the norm for Bryceville Elementary. We will always strive to be our best!

## 3rd Annual Bobcat Family Fun Run Fundraiser

Get ready BES! We kick off our third annual Fun Run fundraiser on October 21st and our Fun Run will be held on November 4th. This year we want our families to participate! So get ready to join us to run (or walk) for a great cause. Our second run was **super successful**. We raised over \$12,000 in funds for new library books, poster printer, library and main hallway makeover, student incentives, chicken coop and classroom library books. I can't wait to see what we can raise this year!!

## FOOD SERVICES UPDATE

2022-2023

Due to the ending of the waiver from the Families First Coronavirus Response Act (FFCRS), there will be a change to student meal prices.

We will be returning to the eligibility system where parents will need to fill out a free and reduced meal application to determine if they are eligible for free or reduced-priced meals.

Forms can be filled out in three ways:

- 1 Online at <https://family.titank12.com/application/new?identifier=6YP2NM> or a link to this site can be found on the FNS website <https://www.nassau.k12.fl.us/foodservice> under Online Free & Reduced Application.
- 2 Paper applications will also be sent home with all elementary students, and they will be available in the front office at all schools.
- 3 On the Titan Family Connect app on your smartphone.

**Titan Family Connect app and Online applications are available now!**

Please complete your application as soon as possible. Online application processing time is expected to be a few days, while paper applications could take a few weeks.
