Congratulations you have made it to your Senior Year. We felt it would be helpful to give you a list of important dates and events so that you may plan ahead. **Please join our School and Class FB pages** to receive information on any changes as they occur. A list of senior year expenses is included for your financial planning consideration. **Please note that some expenses are estimated. You cannot send one check** for all expenses listed as they are collected by different sponsors.

Seniors Dues cover the cost of graduation and senior events and is calculated and then divided by the number of seniors in their class.
