Becky Cribbs is a 1986 Graduate of HMSHS and she is now Date Entry at her Alma Mater. Becky was voted Most Likely to Succeed for her Senior Class Superlative. HMSHS holds a special place in Becky's heart as her entire family are Flashes Alumni. Her mom was in the class of 1962, and her husband Buddy was class of 1983. Together her and Buddy have two sons that both graduated from Hilliard and are now employed with Nassau County School District. Bradley graduated in 2009 and works with the maintenance department as a Technician and Will graduated in 2015 and is currently the new Agriculture Mechanics teacher at HMSHS. Becky is a vital member of our school, and we don't know what we would do without her!
