

Positive Behavior Students

August 2022

Blake Vincent

8th Grade

Blake Vincent is an 8th grade student at HMSHS that was nominated because every day in the lunchroom, both in the morning before school starts and at lunch, Blake stays behind and picks up the trash off the tables and the floors. He has never been asked to do this, he just does it. He has a true servant's heart and is such a great example of a Flash! When Blake was asked why he does this his response was "he wants to help out the school staff by helping clean up after others."

Hilliard Middle Senior High School

HMSHS would like to recognize our AUGUST PBIS (Positive Behavior Students) of the Month. These students were nominated by their teachers and staff for showing what it means to be a FLASH. We would like to not only recognize all of these but also highlight two individual students.

Kailey Hutchins

11th Grade

Kailey Hutchins is an 11th grade student at HMSHS. She is involved in volleyball, Beta, and the A team club. Kailey was nominated because "Kailey always has a smile on her face and greets everyone with kindness and respect. She has been a big help in my classroom this year by taking on any task that is asked of her. I appreciate her going above and beyond to help when needed."

When Kailey was asked why she does this her response was "You should always treat others with kindness."
