

Nassau County School District

Driver

Education

Summer 2022

Driver Education classes will consist of one week of class (30 hours) followed by 2 days of in-vehicle training including 6 hours of driving per student. A student will receive 1/2 credit (elective) and a certificate of completion suitable for insurance documentation upon successful completion of the course. Students will receive a grade for this course, which will count in the student's over-all GPA.
