

## **NEW FBMS TRAFFIC PATTERN for Student Pick up and Drop off**

Parents/Guardians:

With the start of the 2020-2021 school year and the current pandemic, all schools have experienced heavier than normal student drop off. This has created additional traffic congestion and complaints from the neighbors surrounding our campus. We have worked with Fernandina Beach Police on a solution to minimize these traffic issues and keep our students safe.

Below is an explanation of the new traffic pattern for student drop off and pick up. An aerial map/diagram is shown on the next page for your reference.

1. All drop off and pick up of students will utilize this procedure.
2. Vehicles will enter Beech Street from Citrona and travel westbound.
3. Vehicles will turn onto 19<sup>th</sup> Street and travel southbound.
4. Vehicles will then turn left onto the access road which is on the north side of the campus. This area will be marked.
5. Vehicles will form two rows to travel east to the front of the school.
6. Once drop off or pick up starts, vehicles will proceed to the front of the school for the exchange.
7. Vehicles will then proceed to the exit onto Citrona.

This year students will not be permitted on campus until 8:35 AM. Vehicles may begin to line up for drop off at 8:05 AM. For afternoon pick up, the vehicle stacker area will open at 3:00 PM.

Thanks for your understanding and cooperation as we all work through these challenging times.
