2. For comparison purposes with the General Fund Statement of Revenue, we have completed 41.7% of the fiscal year. All other percentages are only a comparison of cash collections or expenditures to budgeted revenue or appropriations.
3. Negative investment amounts are due to timing of cash requests.
4. Cash balance in Debt Service Fund held by Bank of America represents cash held by fiscal agent for QZAB sinking fund. The loan was paid in full during the month of October; however, due to time constraints the payment will not be recorded until December.
5. SBA Fund A consists of high quality money market assets. Nassau County School Board can redeem the full amount.
