2. For comparison purposes with the General Fund Statement of Revenue, we have completed 33% of the fiscal year. All other percentages are only a comparison of cash collections or expenditures to budgeted revenue or appropriations.
3. Negative investment amounts are due to timing of cash requests.
4. Prime consists of high quality money market assets. Nassau County School Board can redeem the full amount.
5. Food Service cash balances and the monthly financial report are not complete due to delayed bank and sales reconciliations caused by reporting issues with the Titan software.
6. Negative balances associated with the general fund will be corrected in November 2023.
