

Calling All Volunteers

Please help us package food.
This is a great opportunity to help those
that are in need in our community.

Feed The Need To Read

Hunger Fight's literacy program focuses on emergent literacy skills by providing books every month to children for free.

Our Mission Statement

To end hunger and illiteracy through the provision of nutritious meals and books to children, seniors and families in need by informing, engaging and mobilizing communities and partners.

Hunger Fight's Feed the Need to Read literacy program was developed in collaboration with the Dolly Parton Foundation's Imagination Library. This program focuses on emergent literacy skills, specifically those to develop early learning and reading skills in children ages 0-5, by providing books every month to children for free. See how you can make a difference in the academic success of a child.
