Good Nutrition for  
Women, Infants & Children

Has your family enrolled in an insurance program? Call (888) 540-5437 to enroll with FL KidCare. [floridakidcare.org](http://floridakidcare.org) or [healthykids.org](http://healthykids.org) If you are interested in applying for Florida KidCare coverage for your child(ren), use their simple cost calculator to estimate what your monthly premium payment would be. Most families pay nothing at all, and many pay as little as just \$15 or \$20 a month for all children in the household.

The Florida RX Card is a free statewide prescription assistance program. The card can offer significant savings on brand and generic medications and is accepted at most pharmacies across Florida. Print a free, pre-activated card at [www.FloridaRxCard.com](http://www.FloridaRxCard.com), or download app.

This card benefits the uninsured and underinsured the most, but it also benefits those people on Medicaid and Medicare. It can help save money on the medications that those services do not reimburse. Call 888-311-6224 (Ext. 115) for more information.

**Healthy Start-** Healthy Start is a voluntary educational and supportive program that serves pregnant women and families with children under age 3. Services include parenting education, childbirth classes, breastfeeding support, smoking cessation, interconceptional (women’s health) services, developmental screenings, case management, and discounted car seats. Health Care Coordinator, at 904-557-9125.
