Immediate school enrollment is required by law for all students experiencing homelessness as defined by the McKinney-Vento Act. If you are missing shot records, a school physical, a birth certificate, etc. your child will be enrolled immediately but you only have 30 school days to gather and turn in all required documents. Be sure to call Mollie Cressey for help obtaining these documents. The Nassau County Health Department (904-875-6110 ext.1) provides shots.
