(out in the portable building)

Enrolled F.I.T. & Host Families only.

Up to 5 outfits and additional toiletries,
shoes, etc. for each family member -

FREE

(Once each month.)

**Open on Mondays that schools
are open for students.**

Noon until 6pm

**(The volunteers will leave at
5:45pm if no one is shopping.)**

**FIT/ Homeless
Program of
Nassau County
Schools**

FIT students receive free breakfast and lunch at school. Please encourage your child to arrive in time for breakfast and get a meal. (There is a minimum number of items required to count as a meal. If less items or additional items are chosen, they are not free.) Check with your child's teacher about the possibility of your child's saving a packaged, non-perishable item from the breakfast tray to eat later during the class's Snack Time.

Did you know?

The Public Transportation side of Nassau Transit/COA Transportation can take you across the county and into Jacksonville for \$1 per boarding. See the schedule provided for details. They will even alter their route ½ mile or so, when needed.

But, it gets even better! There is a 2nd side of Nassau Transit. It is the Demand Response side. If you register with them and call at least 3 days in advance, they will pick you up at your house and take you wherever in Nassau County that you need to go (and possibly even into Duval Co.) They can also schedule continuing rides. The fee is \$2, but can be waived if you do not have the money to pay. If it is a school-related need, the FIT program may be able to pay the fee. These rides run from 5am until 6:30pm, Monday through Friday. Students 16 years or older may ride without a parent/guardian. Call 261-0700 to register. (See the maps on the next page.)
