**Overview**: Parents will get an overview of each child's schedule, attendance, grades, and contact information.

- If a parent is linked to more than one student, all students will display on the Overview page.
- The parent/guardian can view the student's schedule, attendance summary, and current grade average for all courses.
- By selecting More Info, the parent can view each child individually and get more information on missed or upcoming assignments.
- The quarter's tab defaults to the current quarter. There is also the ability to toggle between quarters to view prior quarter information.

## Focus Community App – For Parents

- Click on the **Reports** tab to view your child's Progress Reports, Report Cards, and State Assessment Score Reports.
  - Click on the report you want to view.
- Click on the News tab to view if an assignment was late or what grade your child received for the assignment.
- The **News** tab also displays your student's absences and the attendance code.
