

2023 Benefits Guide

Benefits to Support Your Life Journey

Welcome to the 2023 (January 1, 2023– December 31, 2023) Insurance and Benefits Information Guide. This booklet is intended to outline the benefits and insurances that are available to you through the Nassau County School Board (NCSB). It is highly recommended that you keep this guide throughout the year as there are several important topics outlined which may directly impact you and your benefits. Should you have any questions regarding the specifics of the plans offered, please refer to the last pages of this packet for a list of contacts.

During the annual Open Enrollment, you will have the opportunity to inquire about the specific plans. This is your once-a-year opportunity to select the insurance coverage(s) that best suit your needs for the upcoming plan year. You can add qualified dependents, remove existing dependents, elect new policies, waive coverage, cancel existing policies, change from one plan to another and implement a variety of other changes to your current insurance(s). Please note that changes to medical, dental, vision and supplemental insurances are only permitted during Open Enrollment unless you experience a qualified life event. Please see page 5 for additional information.

Hopefully, you will find the information contained within to be very useful and informative. Should you have any questions regarding the enrollment process, please contact Leanne Peacock in the Human Resources Department for assistance.

Enrollment Checklist

BEFORE ENROLLING

- Take the time to educate yourself on all of the benefit options that are available to you by reviewing this benefits guide carefully as you consider your plan choices.
- Prepare a list of your doctors and prescriptions.
- Have your dependent information readily available for any that you may be enrolling into benefit coverage for the new plan year (Full name, SSN, Date of Birth, and documentation to upload for newly enrolled dependents).

DURING ENROLLMENT

- Make your elections within the Open Enrollment period in order to ensure your benefits are effective for the 2023 plan year. Failure to make elections by the end of the Open Enrollment period (October 3, 2022 through November 4, 2022) will result in your benefits being waived for the 2023 plan year.
- If you do not make elections, then you may not be able to enroll and/or make changes to your benefits until the next Open Enrollment period or unless you experience a Qualifying Life Event.

AFTER ENROLLMENT

- Medical coverage: If you elect coverage, you will receive an ID card in the mail that you should use for all medical and prescription services. This will come in a blank envelope; be sure you do not disregard.
- Your ID card contains important information about you, your employer group and the benefits to which you are entitled. Always remember to carry your ID card with you; present it when receiving health care services or supplies, and make sure your provider always has an updated copy of your ID card.
- Dental coverage: If you elect coverage, you may receive an ID card. For dental services, coverage will be tied to the employee's social security number. Be sure to give this to your provider at time of service.
- Vision coverage: If you elect coverage, you may receive an ID card. For vision services, coverage will be tied to the employee's social security number. Be sure to give this to your provider at the time of service.

HOW TO ENROLL WITH PLANSOURCE

All benefit elections must be submitted through PlanSource - the employee self-service, online portal for employees to enroll in all benefit plans. Once logged in, you will be able to see benefits offered to you and compare cost.

To start your enrollment

- Visit <https://benefits.plansource.com/>
- Your username is the 1st initial of your 1st name, up to the first 6 letters of your last name and the last 4 digits of your SSN (Taylor Williams, last four SSN 1234 – username: twillia1234)
- Your initial password is your birth date in the YYYYMMDD format (i.e. 12/31/1974 = 19741231)
- If you're having trouble remembering your password, click the *Forgot your password* link just below the login form.

Step 1: Review Profile

- The * indicates a required field. Verify your Personal Information; if there are changes, you will need to contact Human Resources to make the necessary updates in payroll.
- If you need to add a family member to your coverage, select *Next: Review My Family* and add family member. You can add eligible family members during this step, even if you are not enrolling them for coverage. Please double check spelling of names and verify dates of birth and social security numbers.

Step 2: Shop Benefits

- Shop each benefit offering, choosing your desired election under the appropriate plan, or declining the benefit entirely. In order to proceed through each enrollment page, use the *Shop Plans* button next to the first benefit type. If you elect coverage with family members, select family members to add to coverage, then click *Update Cart*.

Step 3: Review Beneficiaries

IMPORTANT TO KNOW

What it means to stay "in-network" and why it saves you money

Think of it this way: in-network is about getting health care from the broad range of providers who are part of your health plan. So, for in-network, that means a group of doctors, hospitals, and other health care providers have agreed to give you discounted rates because you're a United Health Care member.

They negotiate for you, so, you'll have less out-of-pocket costs when you get care. And they can't send you a bill for more than what has been agreed to - this is called balance billing and you're safe from it, as long as you stay in-network.

MEDICAL PLAN PREMIUMS

Your employee contributions for this plan year are based on your choice of plan and coverage tier. Nassau School Board Contribution: \$621. 52 monthly, totaling \$7,458.24 annually.

Employees enrolled in an HSA should reach out to their personal financial institution to check on what they are currently paying in administrative fees, interest they can earn, etc.. It may be a good idea to compare with other financial institutions.

WHY HAVE AN HSA?

Basic Life and Accidental Death & Dismemberment

Nassau School District provides Basic Life and Accidental Death and Dismemberment (AD&D) coverage at no cost to you. Employees receive a generous benefit of \$40,000 through **MetLife**. New employees will be covered on the 1st of the month following 25 days of continuous employment.

DOES THE COVERAGE AMOUNT CHANGE BASED ON MY AGE?

The amount of coverage will reduce to 65% at age 65, 50% at age 70 and 35% at age 75.

CAN I CONTINUE THIS COVERAGE IF MY EMPLOYMENT ENDS?

Coverage may be continued through Portability or Conversion if certain criteria is met. If you would like to continue coverage after your employment ends with us, please reach out to MetLife directly to see if you can convert or port your policy.

Supplemental Life Insurance

In addition to the basic life insurance provided by Nassau School District, employees have the option to purchase supplemental life insurance coverage through **MetLife**.

Employees may purchase up to 5 times salary or up to \$500,000 (\$10,000 increments). The guaranteed issue amount (no medical questions asked) is \$250,000, at the time coverage is initially offered (newly eligible for benefits).

•**Spousal Coverage is Available:** Elections are available for 100% of the employee's basic life benefit (\$5,000 increments).

•**Child Coverage is Available:** Elections are available for \$10,000 each dependent child. Employee must be covered under Employee Supplemental Life to elect child coverage. Children are covered, birth to age 26.

•**Current employees during annual enrollment:** Each year, employees are eligible to increase current coverage by \$10,000 without submitting EOI. Any *new* election you make during annual enrollment *will* be subject to EOI.

Evidence of Insurability (EOI), also called proof of good health, is the medical questionnaire you complete and is then used by MetLife to approve or decline your application for Supplemental Life Insurance. There are certain instances when EOI is required.

Designating your Beneficiary

You must designate beneficiaries for both your basic and supplemental life and AD&D.

If you should die without a beneficiary, your life insurance benefit will go to your estate. Then the benefit that should be helping your family will, instead, be tied up in probate.

MEDICARE SUPPLEMENTS VIA VALERY

Employees who retire from the Nassau County School Board are welcome to keep their health, dental, vision and some supplemental insurance benefits upon retirement. However, employees who are not actively working are not eligible for the Board's contribution towards their health insurance benefits, leaving the retiree financially responsible for the full monthly premium. Please refer to the RATE CHART for the current rates.

Retirees who are age 65 are eligible for Medicare. Medicare is divided into separate parts: Medicare Part A (hospitalization), Part B (physicians) and Part D (prescription coverage.) These three (3) components together will safely replace the School Board's group health insurance plan and in most cases, will cost less on a monthly basis.

Valery Insurance Agency (Valery) is the Board approved company that provides Medicare Supplements to our retirees. Valery can assist retirees, employees considering retirement and spouses in selecting the best Medicare Supplement approved plan to fulfill each person's individual medical needs. Valery works with over fifteen school districts and over 20 counties and municipalities within the State of Florida.

Employees who are actively working are best served with the School Board's approved group health insurance plan, benefiting from the contribution afforded by the Board. Employees who are considering retirement and do not wish to retain the School Board's insurance plan, as a retiree, will want to explore their options for health insurance coverage within ample time to make an informed decision.

For more information regarding the Medicare Supplements available, please contact: Valery Insurance Agency via phone: 727.517.8888 or 800.330.8445, fax: 727.517.8887, email: valeryagency@verizon.net, web: www.valeryagency.com, or in-person: 2113 Gulf Boulevard, Indian Rocks Beach, FL 33785.

Federal Notices

IMPORTANT NOTICE FROM NASSAU COUNTY SCHOOL DISTRICT ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The Nassau County School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Nassau County School District has determined that the prescription drug coverage offered by United Health Care is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage with Nassau County School District will not be affected. Your current coverage pays for health expenses in addition to prescription drug. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all your current health and prescription drug benefits. [See pages 7-9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage/>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.] If you do decide to join a Medicare drug plan and drop your current {INSERT EMPLOYER} coverage, be aware that you and your dependents will be able to get this coverage back only during a qualified life event or during the annual enrollment period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Nassau County School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact your Human Resources Department direct. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Nassau County School District changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact your Human Resources Department directly.

NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section.

However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

MICHELLE’S LAW

Michelle’s Law protects a postsecondary student from losing full-time student status under an employer’s medical coverage if the student is (i) a dependent child of a participant or beneficiary under the terms of the plan; and (ii) enrolled in a plan on the basis of being a student at a postsecondary educational institution immediately before the first day of a medically necessary leave of absence from school. A dependent covered under the law is entitled to the same benefits as if the dependent continued to be enrolled as a full-time student. The law also recognizes that changes in coverage (whether due to plan design or a subsequent annual enrollment election) pass through to the dependent for the remainder of the medically necessary leave of absence.

WOMEN’S HEALTH & CANCER RIGHTS ACT OF 1998 (WHCRA) NOTICE

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and physical complications of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your Human Resources department.

CHIPRA - PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN’S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility .
