

## **2011 – 2012 NTA / NCSB Collective Bargaining**

Minutes Meeting 3

July 7, 2011 Meeting

The third meeting between the Nassau Teachers Association and Nassau County School Board bargaining teams was held on July 7 at the Nassau County School Board Full Service Center in Yulee at 6:00 PM.

The bargaining teams reviewed the contents of Issues and Solutions Document 2 for 6/28/11. Corrections were made to the Workshop notes of 6/21/11 and Issue 1 (Teacher Evaluation). Issues and Solutions Document 2 for 6/28/11 was approved as corrected.

The teams continued its discussion of amendments to Article VII (Teacher Evaluation) and made primarily grammatical changes to the language. The team began an analysis of the new retention requirements under SB 736 by comparing the new requirements to the current system of reduction and retention. As the current language in Articles XII and XIII are more dissimilar to the new law than previously thought, it was decided to allow the Board's negotiator to bring structural and language proposals based on the discussion to the teams at their next meeting for review.

The next meeting is scheduled for Wednesday, July 20, at 5:00 PM at the Team Center at the District School Board Office in Fernandina Beach.
