FBHS Pirates

“Tomorrow begins Today”

A student organization that will provide opportunities that give students a competitive edge for career and college.

What is FBLA?

Future Business Leaders of America (FBLA) is an organization for students enrolled in business technology courses and those preparing for college or careers in business and technology.

FBLA Members

- Develop skills that set them apart from average high school students.
- Contributes to the improvement of the community, their school, and their chapter.
- Practice and compete in events related to business concepts learned in their career and technical classes.
- Meaningful addition to their college applications and resumes.
