STUDENT RESPONSIBLE USE OF TECHNOLOGY AGREEMENT

Nassau County School District (NCS D) makes a variety of communications and information technologies available to students through computer/network/Internet access. These technologies, when properly used, promote educational excellence in the District by facilitating learning, resource sharing, innovation, collaboration, and communication. In order for students to have access to these valuable resources, parents and students must sign the Student Responsible Use of Technology Agreement. The student is expected to follow the guidelines below and demonstrate ethical behavior and digital citizenship.

STUDENT GUIDELINES

- Students will handle hardware and software tools with care and respect at all times.
- Students will remember that it is a privilege, not a right, to use the Nassau County digital network and device.

- District network security will control whom email messages can be sent to and whom they can be received from.
- Students will only be able to email their teacher or staff member.
- Students will not be able to email any other student.
- Students will not be able to receive email from other students.
- Students will not be allowed to receive email from outside the school domain except for approved senders. (Ex. College Board, Colleges, Universities, and US Military)
- Student email will be monitored 24 hours a day, 7 days a week for inappropriate content. Any inappropriate email content will be blocked from delivery and reported to school administration.
