

Focus Parent Portal Registration

Create a Parent Portal Account

For the protection of your child's confidential information, we have created the following secure procedures for establishing a Parent Portal account. To establish a Parent Portal account online, you must be the parent/guardian and have a valid email address, the student's ID #, and the student's birthday.

1. Go to <https://nassau.focusschoolsoftware.com/focus/auth/>
2. On this screen there are 3 options from which to choose:
 - Parents without an account.
 - Parents who need to add a child to their account.
 - Parents who need a new password.

Welcome to the Nassau County School District parent registration portal. The Focus Parent Portal is a tool designed to enhance communication and involvement for you in your child's education. This portal will allow you to monitor your child's progress in school by providing timely access to both assignments and grades that are entered by the teacher throughout the grading period. This communication tool will improve your ability to assist your child and to communicate with the teacher if necessary. In order to create a Parent Portal account online, you must have a valid email address, your child's birthdate and student ID. If you are unable to create an account, visit your child's school for assistance.
