WELCOME BACK RAMBLERS!

We are off to a great start at Callahan Middle School. Faculty, staff and students had a great first week.

STUDENT SAFETY

CMS was under construction over the summer. Our front office has been renovated and updated safety features have been installed. Stop by the front office to see our new office space. Our first priority at CMS is student safety. Please help us ensure student safety by using the following procedures:

1. Always be prepared to show your ID when picking up your student.
2. Students are welcomed at 8:50 am. We want to always provide adequate student supervision to ensure student safety. Please do not leave your student unsupervised by dropping them off before 8:50.
3. Please write a note if your student's afternoon dismissal process changes.
4. Students walking home from CMS must have a walking address. All other students will be required to utilize the bus or pick up loop.
5. Utilize the pick up loop for am drop off and pm pick up. Students should not be walking across the street or parking lot when exiting from cars.
6. When using the pick up line, please stay in your car and proceed through the pick up line. We are working to make the pick up process as efficient as possible. CMS has approximately 200 students using the pick line daily.

SCHOOL ADVISORY COUNCIL:

If you would be interested in serving on the 2018-2019 CMS School Advisory Council, please contact Mrs. Devereaux. The SAC is a committee of school based representatives, parent representatives and business partners that collaborate and make decisions concerning School Improvement funds, analyze student data, and assist in making school improvement decisions. The committee meets four times a year on Thursdays at 4:15 pm. Your service would be appreciated.
