FROM: Susan Farmer, Executive Director of Business Services
SUBJECT: **BUDGET AMENDMENTS – April 2012**
DATE: May 24, 2012

The following is an explanation of the amendments that took place this month.

GENERAL FUND:

1. Numerous amendments made between various function and object categories as requested by school and district administrators.
2. Decrease to revenue account # 3361 – School Recognition Funds in the amount of \$269.00 based on the distribution of funds to districts after the final appeals on school grades. This reduction was equally offset to appropriations. School Recognition dollars were distributed to staff and the budget was moved in April to cover the cost of bonuses for these funds. The salary and fringe benefit increases for this fund were based on the bonuses paid in accordance with the plans approved by the school staff and School Advisory Councils. Originally these funds were budgeted in Classroom Supplies.
3. Increase revenue account #3430 – Interest in the amount of \$157.00 to cover benefits associated with the Superintendent's continued leadership supplement from the Superintendent's Association (see next item). This was equally offset to appropriations.
4. Increase revenue account #3440 – Gifts, Grants, and Bequests in the amount of \$5250.00 for receipt of information concerning the continuation of the Superintendent's leadership supplement by the Superintendent's association. This was equally offset to appropriations.
5. Increase revenue account #3490 – Miscellaneous Revenue in the amount of \$121,761.26 for the final calculation on the 2010 Pro-share Agreement with BCBS. This was equally offset to appropriations.
6. The reduction to fund balance in the amount of \$50,000 was to cover the settlement agreement on the Jane Doe case. This was equally offset to appropriations.

DEBT SERVICE:

1. Increase revenue account #3710 – Sale of Bonds in the amount of \$2,436,735.79 based on the outcome of the refinancing that the Board approved in March to First Federal Bank. This was equally offset to appropriations to cover the appropriate book entries to cover this transaction.
2. Increase revenue account #3430 – Interest for interest earned to date on the funds held for debt payments on the old bond issue. This was equally offset to appropriations.
3. Increase revenue account #3650 – IntraFund Transfers to close the accounting fund on the old debt and to move excess funds to the new fund to cover future principal and interest payments. This was offset to appropriations and fund balance.

CAPITAL PROJECTS:

1. Numerous amendments made between various function and object categories as requested by school and district administrators.

FOOD SERVICES:

1. Increase fund balance for amendment to reduce appropriations held for the transition of the cafeterias at ELH and SSE. These cafeterias are now open and final entries made to these funds so they are being returned to fund balance.

CONTRACTED PROGRAMS (Funds 421 & 422):

1. Numerous amendments made between various function and object categories as requested by school and district administrators.
2. Increase to revenue account #3201 – Vocational Education Acts in the amount of \$1,162.00 based on award of additional funds for the Carl Perkins Secondary Grant. This was equally offset to appropriations.

ARRA GRANTS: *No amendments were processed for the month of APRIL.*

RACE TO THE TOP: *No amendments were processed for the month of APRIL.*

EDUCATION JOBS FUNDS:

1. Increase revenue account #3215 – Education Jobs Fund in the amount of \$33,838.88 for notification received that the Federal Government awarded additional funds under the ED JOBS fund. We received final notification from the State that these funds were released for appropriation and use under the same guidelines as the original funds which had to be spent on personnel at the school level. These funds have been appropriated to covered costs associated with paraprofessionals.

As always, if you have questions please do not hesitate to contact me at 491-9861.
