

**NASSAU COUNTY SCHOOL DISTRICT
CAREER AND TECHNICAL EDUCATION PROGRAMS
2017-2018**

Entry Criteria:

There are no entry criteria for Nassau County Secondary Career and Technical programs. Students who are behind in earning credits or who lack specific graduation requirements may need to carefully consider enrollment in CTE courses that meet for half of the school day at the Bean Center and should consult with their school's guidance counselor regarding their graduation requirements. Certified Nursing Assistant programs may have waiting lists and may use an application process with a deadline to apply, but do not have other requirements. Florida State College Jacksonville (FSCJ) Dual Enrollment programs that are offered through Nassau County high schools require that a student must have a designated level cumulative GPA, achieve a designated level on an assessment test, be a high school junior or senior, and turn in all the requested paperwork.

BEAN CAREER TECHNICAL CENTER
