

Renaissance Home Connect at Hilliard Elementary

We are using a computer software program called Renaissance Place at school. (AR) This program has a special feature called Renaissance Home Connect. Renaissance Home Connect is fun, easy-to-use and easy-to-understand. It allows the student, parent and teacher to share information about your student's Accelerated Reader (AR) progress from any computer with Internet access.

You can view Renaissance Home Connect from any computer with an Internet connection using these browsers:
Internet Explorer 7.9 or later Firefox 4 or later
Safari 3.5 or later

Your student received a username and password from his/her teacher. It is the same one they use for AR at school.
