

Survey of the Extent of Implementation and Effectiveness of the School Improvement Plan

The school improvement team is conducting this survey for the purpose of determining the extent of implementation and effectiveness of your school's improvement plan. Your responses to this survey will help to inform their work and will prove them with valuable feedback that can assist them in strengthening the effectiveness of the school improvement plan in behalf of student learning.

For items #1-6, please circle your response on a five-point scale (1 = little or none. 5 = to a great extent) to indicate your answers to these questions. Questions #7-10 require a brief, written response. Please include your responses in the space provided below each question. If you need more space, please feel free to use the other side of the survey.

Thank you for taking the time to respond to this survey. Your feedback will be carefully considered by the school improvement team.
