

Annual Progress Report

School: _____ Date: _____

Principal: _____

In compiling the report, the school may consider use of the *"Survey of the Extent of Implementation and Effectiveness of the School Improvement Plan"* found in Section. VI of the NSSE *School Improvement: Focusing on Student Performance* manual.

1. To what extent is the school community aware of the goals for your school's improvement plan?

2. To what extent has the school received sufficient support in implementing the strategies contained in the school improvement plan (e.g., availability of professional development programs, planning time, materials, etc.)?

3. To what extent has the school implemented the strategies for improving student learning that are contained in your school's improvement plan?

4. Which strategies in the school improvement plan have been found most helpful in improving student learning?

5. Which strategies in the school improvement plan have been found least helpful in improving student learning?

6. What modifications of strategies are to be implemented to strengthen the school improvement plan? Please be specific in describing the modifications?
