- **School Improvement Title I:**

- Parent Family Involvement Plan (PFEP): Mrs. Johnson advised that no changes have been made to the plan since the April meeting.
- Mentor/Mentee Observations for new teachers: Mrs. Johnson explained that we have many observations being conducted on campus.
- Mega & Mini Monday Professional Development: Mrs. Johnson discussed our on campus PD opportunities using Title 1 funds. One specific project we are working on this school year is a school wide, streamlined, running record to track student data to enhance daily classroom instruction. These PD opportunities target areas of specific need on our campus. Mrs. Ray expressed that she and other teachers can use the knowledge gained from these sessions and immediately implement them into the classroom.
- Mrs. Johnson explained that our Oct. 7 Open House will not only be a time for parents/guardians to visit the classrooms, but also a way for them to gain knowledge of the standards being taught in the classroom.

**Request for funds:**

Mrs. Johnson requested funds for substitutes:

- ½ day sub for the book fair
