

Checking In-Service Points in Professional Learning Management System

You will need to know your current validity period to check points for renewal purposes.

You can log in through ClassLink or use <https://nassau.truenorthlogic.com>

Sign in with your district credentials

choose the "Transcript" tab

Here you will see your in-service history. The top section can be used to search a date range. To check the points posted for your current validity period, use the top “Section Completed Date From” and “Section Completed Date To” fields. Then click the “Search” button.
